PlacementConnect - User Stories

Epic AUTH — Registration, Login and Access

US-AUTH-01 — Student registration

As a prospective student, **I want** to create a student account, **so that** I can access campus placement services.
Priority: P0
Dependencies: Registration form and backend validation.

US-AUTH-02 — Company registration

As a company recruiter, **I want** to register a company account, **so that** I can request access to the placement platform.
Priority: P0
Dependencies: Company approval workflow.

US-AUTH-03 — Role-specific login

As a registered user, **I want** to log in through the correct role portal using my username or email and password, **so that** I access the correct workspace.
Priority: P0

US-AUTH-04 — Restricted account handling

As an administrator, **I want** disabled and blacklisted users to be prevented from logging in, **so that** access restrictions are enforced.
Priority: P0

US-AUTH-05 — Session continuity and logout

As a signed-in user, **I want** my session to be checked and be able to log out, **so that** protected areas are not accessible after session expiry or logout.
Priority: P0

Epic PROFILE — Profile Management

US-PROF-01 — Student profile maintenance

As a student, **I want** to maintain my contact, academic, skills, certification, achievement, resume and portfolio information, **so that** recruiters can evaluate my profile.
Priority: P0

US-PROF-02 — Company profile maintenance

As a company recruiter, **I want** to maintain company and HR contact information, **so that** students and administrators can identify and contact the organisation.

Priority: P0

US-PROF-03 — Admin profile maintenance

As an administrator, **I want** to view and update my profile, **so that** my account information remains current.
Priority: P2

US-PROF-04 — Profile export

As a user, **I want** to request an export of my profile, **so that** I can retain a copy of my information.
Priority: P2

Epic ADMIN — Platform Governance

US-ADM-01 — View platform dashboard

As an administrator, **I want** to view placement activity metrics, **so that** I can monitor platform operations.
Priority: P0

US-ADM-02 — Review company registration

As an administrator, **I want** to approve or reject a company registration, **so that** only reviewed companies can participate.
Priority: P0

US-ADM-03 — Reapprove rejected company

As an administrator, **I want** to reapprove a previously rejected company, **so that** a corrected or reconsidered registration can participate.
Priority: P1

US-ADM-04 — Manage company account status

As an administrator, **I want** to enable, disable, blacklist, whitelist or delete a company account, **so that** I can enforce platform policies.
Priority: P0

US-ADM-05 — Manage student account status

As an administrator, **I want** to enable, disable, blacklist, whitelist or delete a student account, **so that** I can manage access and policy compliance.
Priority: P0

US-ADM-06 — Approve placement drive

As an administrator, **I want** to approve or reject a submitted drive, **so that** students see only authorised opportunities.
Priority: P0

US-ADM-07 — Reapprove rejected drive

As an administrator, **I want** to reapprove a rejected drive, **so that** a corrected or reconsidered opportunity can be published.
Priority: P1

US-ADM-08 — Inspect application records

As an administrator, **I want** to inspect applications by company, drive or student, **so that** I can monitor recruitment activity and resolve queries.
Priority: P1

Epic DRIVE — Opportunity Management

US-DRV-01 — Create placement drive

As a company recruiter, **I want** to create a drive with role, description, location, employment type, work mode, compensation, eligibility and application dates, **so that** I can invite eligible students to apply.
Priority: P0

US-DRV-02 — Update placement drive

As a company recruiter, **I want** to update my drive details, **so that** I can correct or maintain opportunity information.
Priority: P1

US-DRV-03 — Delete placement drive

As a company recruiter, **I want** to delete a drive I own, **so that** an opportunity that is no longer valid can be removed.
Priority: P2

US-DRV-04 — Browse approved drives

As a student, **I want** to browse approved drives from approved and active companies, **so that** I can discover valid opportunities.
Priority: P0

US-DRV-05 — View drive details and eligibility

As a student, **I want** to view the role details, dates and CGPA eligibility, **so that** I can decide whether to apply.
Priority: P0

Epic APP — Application Management

US-APP-01 — Apply to a drive

As an eligible student, **I want** to apply during the open application window, **so that** I can be considered for the role.

Priority: P0

US-APP-02 — Prevent duplicate applications

As a student, **I want** the system to prevent a second application to the same drive, **so that** my application record remains unambiguous.
Priority: P0

US-APP-03 — Withdraw an unprocessed application

As a student, **I want** to withdraw my Applied application before the deadline, **so that** I can opt out before the recruiter processes it.
Priority: P1

US-APP-04 — Review drive applicants

As a company recruiter, **I want** to view applicants for my drive, **so that** I can evaluate candidates.
Priority: P0

US-APP-05 — Reject an applicant

As a company recruiter, **I want** to reject an Applied applicant, **so that** the application outcome is recorded.
Priority: P0

US-APP-06 — Shortlist and schedule interview

As a company recruiter, **I want** to shortlist an applicant while providing interview mode and schedule, **so that** the candidate can proceed to the interview stage.
Priority: P0

US-APP-07 — Record interview outcome

As a company recruiter, **I want** to mark a scheduled interview as Selected or Not Selected, **so that** the recruitment result is recorded.
Priority: P0

US-APP-08 — Create and update placement offer

As a company recruiter, **I want** to record the joining date when selecting a candidate and later mark the offer Accepted or Declined, **so that** the final placement outcome is tracked.
Priority: P0

US-APP-09 — Track recruitment progress

As a student, **I want** to view my application, interview and placement statuses, **so that** I understand my progress.
Priority: P0

Epic DASH — Dashboards and Reporting

US-DASH-01 — Company recruitment dashboard

As a company recruiter, **I want** to view my drive and applicant metrics, **so that** I can monitor recruitment progress.
Priority: P1

US-DASH-02 — Student placement dashboard

As a student, **I want** to view drive phases, eligibility and my application-stage counts, **so that** I can monitor placement activity.
Priority: P1

US-DASH-03 — Admin operational overview

As an administrator, **I want** to view platform-level metrics, **so that** I can monitor placement operations.
Priority: P1

Epic MSG — Inbox and Notifications

US-MSG-01 — View inbox

As a user, **I want** to view notification summaries in my role-specific inbox, **so that** I can stay informed.
Priority: P1

US-MSG-02 — Open notification and attachment

As a user, **I want** to open a notification and retrieve its permitted attachment, **so that** I can access the related information.
Priority: P1

US-MSG-03 — View notification status

As a user, **I want** to view inbox status information, **so that** I can understand whether there are pending notifications.
Priority: P2

Suggested refinements

- Add an audit log for all admin approvals and recruiter status changes.
- Notify a company when its registration is approved/rejected.
- Notify students when shortlisted, rejected, selected or offered.
- Add a visible profile-completion checklist.
- Add pagination, search and filtering to large lists.
- Add a report download history and export failure/retry visibility.
